About Us

Bronze Developments Ltd. is a certified professional Home Builder with the Saskatoon and Region Home Builders Association. We are also a Net Zero trained Builder with the Canadian Home Builders Association.

Jackie Martin is the owner and lead project manager with Bronze. Jackie has built over 130 houses, overseeing the design, choice of materials, coordination of trades, and ensures the project is delivered on time and on budget with quality throughout. The last home she built won for best production home in the Housing Excellence Awards! It is also a finalist for the Canadian Housing Excellence awards in May 2022.

Jackie works closely with all of her clients to help them make educated decisions so they can turn their dreams into reality without taking on unnecessary debt or stress throughout the process and in years to come.
